This event was made possible by the generous support of the American people through the United States Department of State. Its contents are the responsibility of i-Engage Project Team and do not necessarily reflect the views of the Department of State or the United States Government.

This Conference was financially supported by Adobe Youth Voices Inspired iEARN Project Production and Exhibition Mini-Grant Award.

This project is the result of a collaboration between iEARN Moldova, iEngage and Access Microscholarship Program teachers and students from various regions of Moldova.

We would like to thank our project partners: US Embassy to Moldova, American Councils Moldova and iEARN (International Education and Resource Network) for their continued support, collaboration and investment.
